

Join us for Tuesdays at 2

Tidewell offers programs and services many do not know about. Join us at 2 pm on the following Tuesdays as we highlight some of these services to have a better understanding of what hospice is all about.

EHPR-21-0646

October 26 Tidewell Volunteer Services

Our volunteers are an integral part of the services we provide at Tidewell. Join Stacy Groff, Vice President of Specialized Services, as she explains how the COVID pandemic has impacted this much-needed resource and what volunteers do to contribute to the Tidewell mission.

November 2 Benefits of PACE (Program of All-Inclusive Care for the Elderly)

Robert Coseo, MBA, Vice President of Business Development, will introduce you to Programs of All-Inclusive Care for the Elderly (PACE). With PACE, Empath Health, Tidewell's parent company, will provide comprehensive healthcare and support services for seniors facing aging and chronic health conditions with the focus of helping participants remaining healthy and independent while living at home. Services will include a day center, education, medical and social services, and more.

November 9 Advanced Cardiac Care at Home

Lorraine Maass, BSN, RN, Clinical Program Development Specialist, will address our new Advanced Cardiac Care Program designed to provide the highest level of care for patients with cardiac disease. This program is developed to meet individualized needs in managing symptoms while keeping patients at home.

November 16 How Art Therapy Eases Grief

Lore Caldwell, LMHC, ATR-BC, Grief Specialist, is a board-certified art therapist and uses art as a tool for grief support. Art projects can help people process their grief while they memorialize their loved ones. She will show us how arts can help express emotions that are hard to put into words. Join us and learn how to discover your hidden art talent.
